#### **ACKNOWLEDGEMENT**

In the name of Almighty Allah, I express my immense pleasure and privilege to present my thesis before the academic community. Many things and many people came to my mind while writing this thesis. Throughout my work I have received a great deal of support and assistance from the people in and around me and without them this work would not have happened. First and foremost, I would like to thank my esteemed supervising guide, Dr. Sabu P.J, Assistant Professor and Head of the Department of Economics, St. Thomas College, Thrissur for his valuable guidance, constant encouragement and timely support to pursue my research in this emerging area. His insightful feedback, immense knowledge in the field of research and invaluable advice propelled me to sharpen my intellect and could bring my work to a higher level.

I would like to acknowledge respected Principal of St. Thomas College, Dr Martin K.A for his support and co-operation. I would like to thank all the office staff and Librarian of St. Thomas College for their co-operation to carry out my work. I am indebted to all the faculties of Department of Economics, St. Thomas College for their support and assistance as a research scholar. I am much obliged to all the research scholars of the department of Economics, Dr. Dhanya Sankar, Dr. Dhanya John, Dr. Anila.C, Dr. Shijitha, Dr. Sasi, Dr. Liji, Ms. Mary K Francis and Mr Sajeesh of St. Thomas College for their care, motivation, support and assistance throughout my work. I would also like to express my gratitude to Dr. Nisha T.A in supporting and assisting me. I would extend my thanks to Dr. Chacko V.M, Associate Professor and Head & Research coordinator for his valuable advice and support. I gratefully convey my special thanks to Joy Chettan, former superintendent of St Thomas College for the motivation, care and support.

I gratefully acknowledge the support, help and motivation of Dr Ajims P.Mohamed and Dr Biju A the principals of MES Asmabi College, my institution and it was during their time period I completed my research work. I would like to thank all the faculties of my department Dr. Dhanya K, Dr. Nisar M.P, Shanil Kumar Ayyappan, Rinciya V.A and Shahana K.K for their constant encouragement, support, help and motivation throughout the programme. I would like to express my sincere and special thanks to Dr. Shafeer P.S, Assistant Professor & Research Guide, PG & Research Department of Commerce and my colleague for his assistance, support and

motivation. I would also like to thank all my dear colleagues of MES Asmabi College for their valuable motivation and support at each stage of my research work. I would like to thank all the non-teaching staff and Librarian of MES Asmabi College for their support and motivation to complete my research work.

There are so many people directly and indirectly contributed to my research work. Let me also thank Dr. K.P. Mani, Dr. E.M Thomas, Dr. Chacko Jose P, Prof. P.R. Bose and Dr. Zabeena Hameed who all motivated me at different stages of my work.

I am grateful to all the parents, teachers, students, management, and head of the institutions of various schools who supported me and cooperated with me in the process of data collection. I would like to thank all my dear friends, relatives and most importantly, my dear students of the department of Economics for their help, motivation and encouragement to complete my research work. I would also like to express my gratitude to my relatives namely Sabura Kamal (Retd. Associate Prof & Head, MES Asmabi College), Jafer Master Vatanappilly, Rahna Kader (Group Manager, Oracle, Hyderabad) Dr. Fasalul Hidayathulla (Supt. MIT Mission Hospital, Kodungallur) and Muhammed Ameen who supported, helped and motivated me in this endeavor. I would also like to thank Shaheen for the assistance he has given me in this work.

I would also like to express my indebtedness of gratefulness to my beloved parents, P.K. Mohamed Ali and P.M. Naseem and my brother for their support and encouragement. There are no words to express my deepest gratitude to my dear husband, Muhammad Ubaidulla, who stood by me at each stage of my work by his constant support, love, care and without him this thesis would not happen. I like to thank my four lovely kids Aysha, Nizam, Junaid and Farha who adjusted a lot more than what I expected and helped me to complete my work. Above all I thank Allah, The almighty who led me with his power and invisible hand that strengthened me to complete my research work. Once again thank you to one and all who directly and indirectly helped me in my endeavor. Thank you all.
