CERTIFICATE

This is to certify that, the thesis entitled “Synthesis, characterisation and applications of some nitrogen and sulphur based heterocycles” is an authentic record of the research work carried out by Smt. Siji T. B. under my guidance and supervision in partial fulfillment of the requirements for the degree of Doctor of Philosophy in Chemistry of University of Calicut and further that no part thereof has been presented before for any other degree.

Dr. Paulson Mathew
(Research supervisor)

DECLARATION

I hereby declare that, the thesis entitled “Synthesis, characterisation and applications of some nitrogen and sulphur based heterocycles” submitted to the University of Calicut in partial fulfillment of the requirements for the degree of Doctor of Philosophy in Chemistry is a bonafide research work done by me under the supervision of Dr. Paulson Mathew, Professor and Head, Department of chemistry, St. Thomas College (Autonomus), Thrissur, Kerala.

I further declare that this thesis has not previously formed the basis of any degree, diploma or any other similar title.

Siji T. B.

ACKNOWLEDGEMENT

First and foremost, I thank the Almighty God for his showers of blessings throughout my life.

I am extremely happy to acknowledge my deep and sincere gratitude to my research supervisor Dr. Paulson Mathew, Professor & Head, Department of Chemistry, St. Thomas College (Autonomous), Thrissur for giving me the opportunity to do research and training me to excel. His invaluable guidance and whole hearted support helped me throughout my research work.

I am highly obliged to Rev. Dr. Martin K. A, Principal, St. Thomas College (Autonomous), Thrissur; former principals - Dr. Joy K.L, Dr. Ignatius Antony, Dr. P. O. Jenson and also the management team for giving me the opportunity to do research work in this esteemed institution.

I express my heart felt gratitude to former HODs of Department of Chemistry- Dr. P. L Joy, Dr. Joshy C. L and Dr. Joby Thomas K, for their valuable suggestions, encouragement, constant care and support.

I also express my sincere gratitude to all the members of the Department of Chemistry- Dr. Sunil Jose T., Dr. Jency Thomas, Dr. Jinish Antony M, Dr. Reeja Johnson, Dr. Joseph Joly V.L, Mr. Aji. C. V, Dr. Sr. Jisha Joseph and all the nonteaching staff of the department for the support and encouragement extended to me during my research work.

I convey my heartfelt gratitude to all my research colleagues- Drishya Sasidharan, Dinooplal, Rohini Das, Anju Rose, Swathy, Nithya, Neera, Ramesh, Ragi, Vidya, Bincy, Raji, Memsy, Savitha Unnikrishnan, Martin and Sini. The help and support offered by them are invaluable.

I extend my sincere gratitude to Dr. Pattiyil Parameswaran, Professor, NIT, Calicut for the assistance given for doing theoretical calculations.

I sincerely acknowledge the help rendered by the Department of Botany, St. Thomas College, especially Dr. Vimala Jose, Aiswarya, Hridya and Reshma.

I also express my gratitude to STIC-CUSAT, Kochi; IIRBS- M.G. University, Kottayam; CIL-Mannuthy, Thrissur; Green clones Pvt. Ltd, Kochi; Amala cancer research centre, Thrissur; St. Joseph's college, Irinjalkuda and Christ college, Irinjalakuda for providing analytical data.

I am extremely grateful to all my family members, especially, my parents, my husband Anand, my children kailsanath and badrinath for their valuable support and encouragement throughout my life.

With heartfelt gratitude

Siji T. B.
