I acknowledge my deep sense of gratitude and sincere thanks to my supervising teacher Dr. C.P. Jose, Chiramel who has been instrumental in the successful completion of this work. I am much indebted to him for the unfailing support and the valuable guidance extended to me throughout my research. His meticulous instructions on every detail of grammar, spelling, and documentation have been of great value. I reserve my gratitude to him.

I remain grateful to Rev. Dr. Devassy Panthallukkaran, the honourable Principal of St.Thomas' College, Thrissur who kindly granted me permission to register for research in the college and allowed me to utilize the facilities in the Research Centre.

I am extremely thankful to Dr. Bose Joseph, the Head of the Research Centre & Department of English, St. Thomas' College, Thrissur for providing me all the necessary administrative and academic support for my Ph.D. registration and other formal requirements. I should also thank all the staff members in the Department of English for their friendliness and accommodating nature towards me.

I should thank Mr. Rafi, the Librarian of the English Department Library, St. Thomas' College, the library staff in the Union Christian College, Alwaye, ASRC Hyderabad and the Central Institute of English and Foreign Languages(Now the English and Foreign Languages University – EFLU), Hyderabad for all the support extended to me.

Personal debts are the most difficult to acknowledge in formal words. My teachers in the Union Christian College, Alwaye have always been a great source of inspiration and strength to me in all my academic pursuits and personal life as well. Prof. A.M. Geevarghese, Dr. P.M. Chacko, Dr. Vargese John and Prof. (Late) E. Narayanan Nambiar are the luminaries who not only instilled a fine taste for language and literature but also moulded me to feel the warmth of human relationships in our interactions with people around us.

Mere words cannot adequately convey my gratitude to my friends like Martin Thachil, Devadas, Shajan, Jose Grace, Hari, Anu Kumar, Prakashan, Sathyan K.P, Sathesan, Subhash Thekiniyedath, Manoj Koshi, Tennyson Pinhero, Prof. Ranganath, Prof. Santhosh Babu, Prof. Dennis Joseph, Dr. Jageer and Dr. Abdullah Hamzi who helped me in various capacities. I am thankful to them.

I must be grateful to Arish Rajan in the U.S.A. and my student Abdul Rehman Bajjash in the United Kingdom for making available most of the references required for the research. Mohamed Najib and Bashir Ali: they were the friends who at first introduced Kazantzakis and *The Greek Passion* to me long ago. They acquainted me with many literary works of other great writers as well. I thank them.

And the last but not the least, I remember my wife Leena and son Midhun who supported me in many ways.
